Dear Mr. Tsomaia,

Thank you for submitting the development drawings and providing us with the opportunity to review them in relation to our security requirements.
Based on the architectural project submitted to the U.S. Embassy and registered with the municipal architecture department under application #AR11110105, the Embassy has no objection to the proposed development on the property identified as C.C.: 01.13.02.001.123.

Please ensure that we are promptly notified of any substantive changes to the design.

Sincerely,

EMBASSY OF THE UNITED STATES OF AMERICA ★ TBILISI ★
