Mr. R. Michael Cowgill
10 Merab Aleksidez St
Tbilisi, 0160, Georgia

Dear Mr. Cowgill:

The Embassy has no objections to the development of the new university building on the property C/C 01.13.01.005.028, according to the provided revised drawings and schemes, which include below listed adjustments to the original project:

1. 2.5m glass wall has been added to the building roof terrace and 'roof bridge'
2. Unoccupied rooftop parapets has been lowered to 10 cm.
3. Building facade facing the Embassy compound will have no openable windows.

If you have further substantive changes to the project, please inform the Embassy.

Sincerely,

Jason Kalbfleisch
