Dear Mr. Arkania,

Thank you for submitting the development drawings and providing us with the opportunity to review them in relation to our security requirements.

Based on the architectural project submitted to the U.S. Embassy and registered with the municipal architecture department under application #: AR11151789, AR11151829, AR11151831, AR11151816, AR11151797 the Embassy has no objection to the proposed development on the property identified as C.C.: 07.72.14.009.176

Please ensure that we are promptly notified of any substantive changes to the design.

Respectfully,

David Heddleston

Regional Security Officer
The U.S. Embassy Tbilisi
Representative of the Diplomatic Security
Service of the Department of State
